

## Qualification Manager

for the site Borgo San Michele LT, Italy

Would you like to make a valuable contribution to the health of patients? And do something really meaningful on your own responsibility? Then we look forward to hearing from you! Excellence beyond manufacturing - that's what we stand for as Aenova, one of the world's leading contract manufacturers and developers for the pharmaceutical industry with 4,000 employees at 15 sites. Latina is a leading centre of excellence in sterile liquid production, with a strategic investment plan to become one of Europe's foremost hubs.

### Your key responsibilities

- Oversee the qualification activities of plants, equipment, classified environments and critical systems according to GMP regulations.
- Oversee the coordination of qualification activities with the departments involved: Engineering, Production, Quality, Maintenance and HSE.
- Quantify the budget.
- Provide the necessary support during internal and external audits, regulatory inspections and periodic review activities of qualified systems.
- Ensure the traceability, compliance and integrity of data generated during qualification activities.
- Monitor the qualification status of corporate assets and manage the life cycle of systems according to corporate policies.

### Your profile

- Degree in scientific or engineering disciplines (e.g. Chemistry, Biotechnology, Engineering, Pharmaceutical Chemistry and Technology).
- Minimum 5 years' experience in the field of qualification/validation in pharmaceutical companies.
- In-depth knowledge of GMP, GAMP and major international standards (e.g. FDA, EMA).
- Precision, attention to detail and ability to manage activities independently.
- Good interpersonal skills and ability to work in cross-functional teams.
- Knowledge of English (B2).
- Proficiency with the main IT tools (MS Office, document management systems, ERP).

### Your motivation

Are you looking for new challenges in a highly competitive environment? And you want to tackle them creatively and on your own responsibility? Do you prefer a "get-it-done" culture and think in terms of solutions rather than problems? What are you waiting for? We would be happy to explain our corporate benefits in a personal conversation!
