

Procurement Specialist / Buyer

for the site Carugate MI, Italy

Would you like to make a valuable contribution to the health of patients? And do something really meaningful on your own responsibility? Then we look forward to hearing from you! Excellence beyond manufacturing - that's what we stand for as Aenova, one of the world's leading contract manufacturers and developers for the pharmaceutical industry with 4,000 employees at 15 sites. Our site in Carugate is a competence center for semisolids, these include creams and gels.

Your key responsibilities

- Request and negotiate supplier quotations to secure optimal commercial and delivery conditions
- Create and issue purchase orders in SAP, ensuring accurate pricing and confirmed delivery dates
- Support management in resolving supply-related issues and ensuring material availability
- Identify opportunities for new components or suppliers and propose corresponding implementation projects
- Collaborate with global procurement teams on cost-saving initiatives and aligned solutions for supply challenges
- Manage supplier and component master data with high accuracy and compliance
- Perform data analytics on spend by supplier, purchase type, and department to support strategic decision-making

Your profile

- Degree in Economics or a related field
- Minimum 2 years of procurement experience (pharmaceutical industry is a plus)
- Strong analytical abilities with solid Excel and reporting knowledge
- Experience with MRP/ERP systems; SAP is a strong advantage
- Excellent communication, negotiation, and stakeholder management skills
- Strong time management, organization, and ability to work under pressure
- Proactive, improvement-oriented mindset with strong teamwork skills
- Good English and Italian skills, both written and spoken

Please note: Applications **must be submitted in English**. Applications in Italian or any other language will **not be considered**.

Your motivation

Are you looking for new challenges in a highly competitive environment? And you want to tackle them creatively and on your own responsibility? Do you prefer a "get-it-done" culture and think in terms of solutions rather than problems? What are you waiting for? We would be happy to explain our corporate benefits in a personal conversation!
