

Site Project Manager

for the site Borgo San Michele LT, Italy

Would you like to make a valuable contribution to the health of patients? And do something really meaningful on your own responsibility? Then we look forward to hearing from you! Excellence beyond manufacturing - that's what we stand for as Aenova, one of the world's leading contract manufacturers and developers for the pharmaceutical industry with 4,000 employees at 15 sites. Our site in Latina is a competence center for sterile production and antibiotics.

Your key responsibilities

- **Lead Strategic Site Projects:** Manage and oversee high-impact projects, ensuring they align with Aenova's standards, compliance policies, and best practices. Work across MS&T, Manufacturing, Quality, Supply Chain, and Engineering to drive success.
- **Stakeholder Engagement:** Partner closely with corporate functions and external stakeholders to ensure seamless alignment with broader organizational objectives.
- **Governance & Reporting:** Implement strong governance frameworks, including project charters, risk assessments, and KPIs. Provide structured reports to site leadership, Cluster Italy Program Manager, and corporate teams.
- **Regulatory Compliance:** Ensure full compliance with GMP, FDA, and EU standards, as well as internal quality protocols.
- **Continuous Improvement & Risk Management:** Apply Lean, Six Sigma, or other methodologies to enhance efficiency and mitigate risks.

Your profile

- Bachelor's degree in Project Management, Business Administration, Engineering, or a related field.
- 10+ years of project management experience, with at least 5 years in a leadership role.
- Strong expertise in risk management, compliance, and regulatory reporting.
- Experience in the pharmaceutical industry or other highly regulated sectors (preferred).
- PMP or PRINCE2 certification is highly desirable.
- Proven success in managing complex, interdepartmental projects in a fast-paced environment.
- Advanced proficiency in SAP, Excel, and project management tools.
- Strong analytical skills with the ability to drive data-driven decision-making.
- Change management experience and a track record of fostering innovation in compliance-driven environments.

Your motivation

Are you looking for new challenges in a highly competitive environment? And you want to tackle them creatively and on your own responsibility? Do you prefer a "get-it-done" culture and think in terms of solutions rather than problems? What are you waiting for? We would be happy to explain our corporate benefits in a personal conversation!
